RESPONSIBLE TOURISM INITIATIVES

Jet Park believes that environmental sustainability is the responsibility of every individual, business and organisation. Ensuring the environmental health of our country and our planet for future generations is something we take very seriously. And, we 'walk the talk'.

In March 2011, Jet Park Hotel was awarded the Qualmark Enviro-GOLD Rating, signifying that we have met the high levels of environmental and social responsibility required of this rating. Since then we have maintained this rating- this is an annual effort to continue reviewing and conducting our environmental and social initiatives.

"When choosing to stay with us, guests can have total confidence they are selecting a hotel who stakes its reputation not only on the standard of it's accommodation, facilities and customer service, but also on its pro-active and genuine approach to environmental sustainability."

Jet Park Hotel has over 60 Responsible Tourism Initiatives; of particular note:

- Energy efficient light bulbs (LED)
- Solar heating panels for hot water
- Eco-friendly amenity range
- High quality bio-degradable paper straws in the bar
- Water saving measures, e.g. flow restrictors, low flush toilets
- Rubbish/recycling of waste, e.g. recycling food waste into compost, paper, glass
- Continual 'audits' aimed at future reductions in resource consumption + more!

HOW CAN YOU HELP?

You may wish to help save water by turning off the tap tightly and avoiding leaving water running.

If you are staying with us for several days, please feel free to decline a towel change from our housekeepers.

Please leave any recyclable waste e.g. newspaper, magazines, any glass or plastic bottles beside the bin in your room to be included in our recycling system.

Room key cards: These are designed to control the lights in your room, so that when you're out, lights are off to save power. You may also wish to consider turning off your TV and heating/cooling too, when not in the room.

If you're walking on New Zealand's beautiful trails/ bush walks, always wear clean shoes and use shoe spray stations to prevent the spread of 'Kauri Die Back Disease'.

STEPPING UP WITH SEPTEMBER!

Jet Park Hotel participated in an event called 'September' run by Cerebral Palsy Society. 'September' challenges people to take 10,000 steps a day for 28 days straight in the month of September. All money raised goes towards helping children and adults living with cerebral palsy - many of whom will never be able to take a single step without assistance.
